

FAMILY STATEMENT
REGARDING THE DEATH OF LT ANDREW RICHARD NUTTALL
WHO DIED WHILE DEPLOYED IN AFGHANISTAN EARLIER TODAY

Victoria B.C. - As the family of Andrew Nuttall, we grieve at the death of our beloved son and brother.

Andrew always put others ahead of himself. His selflessness began at home and extended into every facet of his life.

Andrew was always active and he had a passion for the outdoors and physical activity.

We were proud of his decision to join the military. He believed his service in Afghanistan was making a difference.

In his 30 years with us, Andrew made a significant and positive impact on those around him.

We have lost a bright light in our lives.

Note: Media are requested to respect the privacy of the Nuttall family at this difficult time. Questions about this statement can be directed to Capt Darin Guenette, the Base Public Affairs Officer at CFB Esquimalt at **250-388-1718**.
